POSITIONING

LLB Graduate (UFS) with a post-degree commitment to trial-readiness via the 400-hour IPCE PVT Programme. I bridge the gap between classical legal rigour and digital velocity, leveraging advanced CaseLines and LexisNexis proficiency to architect defensible, high-stakes solutions. Focused on mid-market and elite boutique firms requiring a Candidate Attorney who executes with independent precision in pleadings, estate administration, and complex dispute resolution.

STRATEGIC IMPACT COMPETENCIES

Competency	Strategic Impact for the Firm
Advanced Pleadings	Precision drafting of Particulars of Claim, Special Pleas, and Heads of Argument; focused on breach, causation, and remedy.
Digital Jurisprudence	Power-user of CaseLines / Court Online ; leveraging digital velocity to accelerate document discovery and case indexing.
Estate Architecture	Procedural mastery of the Administration of Estates Act; managing Master's Office interactions with zero-defect sequencing.
Advocacy & Debate	UFS Debate Society background; translating structured argumentation into persuasive written and oral legal submissions.

PROFESSIONAL EXPERIENCE

Legal Intern | Simane Attorneys
Aug 2024 – Oct 2024 | Johannesburg

- **Pleadings & Strategy:** Drafted high-impact summonses, defences, and affidavits for civil litigation, ensuring absolute procedural compliance and strategic alignment with senior counsel's objectives.
- **Case Intelligence:** Conducted deep-dive legal research via LexisNexis and SAFLLII, synthesizing complex case law into actionable memoranda that streamlined counsel's preparation for trial.
- **Operational Velocity:** Managed high-volume case files and administrative workflows; engineered chronological evidence indices that significantly reduced attorney review time and ensured 100% courtroom readiness.
- **Procedural Observation:** Analyzed judicial reasoning and evidence rules during civil and criminal proceedings, applying these insights to refine drafting style and procedural accuracy.

Computer Assistant | University of the Free State

Feb 2017 – Jun 2017 | Bloemfontein

- Provided peer support in MS Office (Word, PowerPoint) to the student body; demonstrated strong ability to communicate technical concepts clearly.
